## Interoffice Memorandum

**TO:** DARON HALL  
City Manager

**FROM:** CAMERON ALDEN  
Director of Public Works

**DATE:** July 19, 2016

**SUBJECT:** Agenda Item – July 26, 2016  
S. Rouse Road Widening and Trail Project – Supplemental Agreement 1  
Project No. 19 TE-0406-01 TA-T040(601)

---

At the January 13, 2015 Commission meeting, the Commission approved an agreement with KDOT regarding the construction of the South Rouse Trail starting at the intersection of Centennial and Rouse continuing south approximately one mile. Per following discussions with KDOT and the City regarding the City's desire to reconstruct and widen South Rouse to a 3 lane roadway, the Commission approved combining the road and the trail project into a single project in order to reduce costs and minimize the impact to the residents. KDOT has sent Supplemental Agreement No. 1 to reflect the change in the project scope. There is no change in KDOT's funding commitment of paying 70% of the construction and construction engineering costs of the trail with a maximum of \$660,000 for KDOT's share. Staff recommends approving the Supplemental Agreement No.1 to update the overall scope of the project and keep the KDOT funding intact for the trail project.

Would you please place this item on the agenda for the City Commission meeting scheduled for Tuesday, July 26<sup>th</sup>, 2016. Action necessary will be approval or disapproval of staff's recommendation, and if approved, authorize the Mayor to sign the Supplemental Agreement No. 1.

If you have any questions concerning this matter, please do not hesitate to contact me.

Change Order No. 1  
Rouse Street Resurfacing Project  
KCS Railroad to Quincy Street & Misc. Milling

---

Attached you will find Change Order No. 1 for the above-referenced project. Due to City staff's current work load, the early summer rainy weather conditions and contractor's availability, the City of Pittsburg has negotiated a contract price with Heckert Construction Co., Inc. to include West 20<sup>th</sup> Street in the scope of the project. Also, the cost difference between City crews vs. the contractor overlaying this portion of the project is \$4,335.25

**Overlay by City Forces:**

870 tons X \$52.50 = \$45,668 + \$1146.80 pavement marking = \$46,814.80

**Overlay by Contractor:**

\$50,003.25 + 1146.80 = \$51,150.05

This change order reflects an increase of \$51,150.05 making a new contract construction amount of \$170,920.65. This project is being funded from the street sales tax.

Would you please place this item on the agenda for the City Commission meeting scheduled for Tuesday, July 26, 2016. Action necessary will be approval or disapproval of Change Order No. 1.

Disposition of Bids  
Asphalt Surface Maintenance

---

Bids were received on Tuesday, July 12<sup>th</sup>, 2016, for Asphalt Surface Maintenance with an Asphalt Rejuvenating Agent (Furnished and Applied). Two bids were submitted (see attached bid tab sheet). After reviewing the bids received, staff is recommending that the bid be awarded to Proseal, Inc., of El Dorado, Kansas, based on their low bid of \$1.08 per square yard. The application of this rejuvenating agent is expected to add life to recently paved streets extending the length of time that they will require major maintenance in the future. Refer to attached plans for project locations.

Would you please place this item on the agenda for the City Commission meeting scheduled for Tuesday, July 26<sup>th</sup>, 2016. Action necessary will be approval or disapproval of staff's recommendation. The material will be purchased with Street Sales Tax Funds.

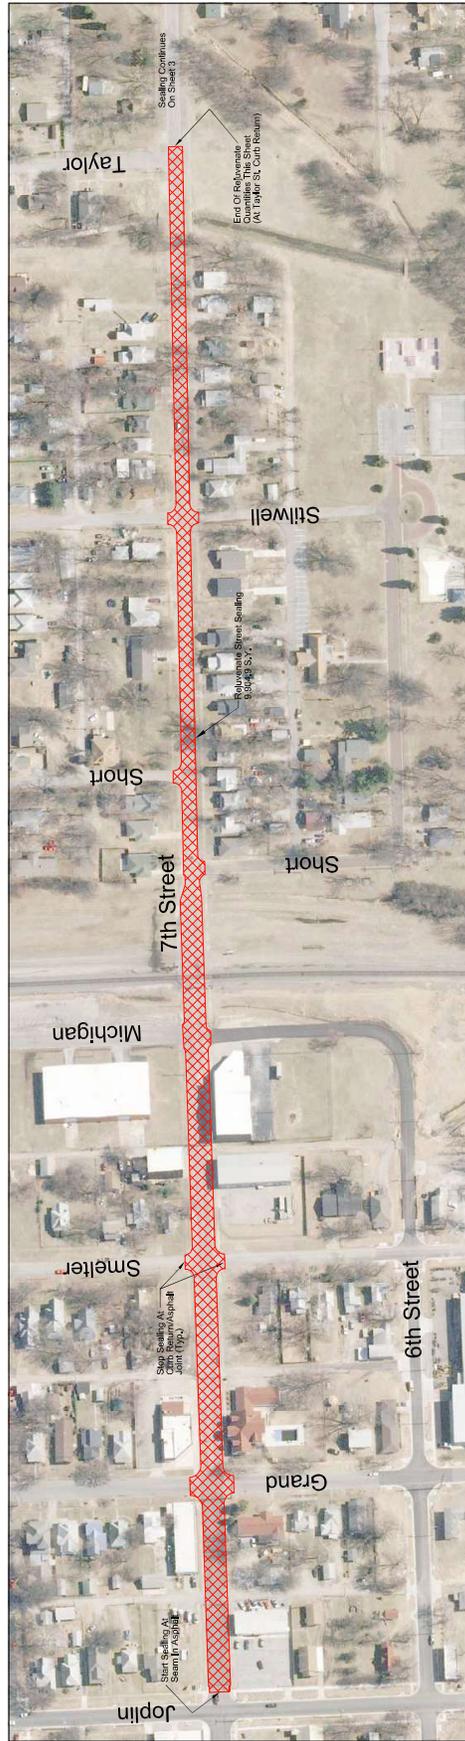

If you have any questions concerning this matter, please do not hesitate to contact me.
