

**The Pittsburg Fire Department wants to remind you that correctly placed, working smoke detectors save lives!! Test yours monthly.**

The Pittsburg Fire Department and our returning hero Detectorman will be combatting the dangers of fire with correct smoke detector placement. Please check out our Detectorman Smoke Detector Placement video on the Pittsburg Fire Department's Facebook page!!!

The Pittsburg Fire Department will have a display at the Meadowbrook Mall at 202 E. Centennial from Monday October 5th through October 10th. On Saturday the 10<sup>th</sup> the fire department will be performing several demonstrations. The events will cover the importance of working smoke detectors, kitchen fires, and hose stream demonstrations where kids will be able to spray water with the firefighters. There will be safety pamphlets and videos to view inside the mall. Coloring Contests can be submitted at the firefighter's booth in the mall.

**Demonstrations at Meadowbrook Saturday October 10<sup>th</sup> from 10:00 – 4:30**
