**Scoring For Events**

Once all teams in a division have completed an activity, the highest score (except in golf) is awarded 1<sup>st</sup> place points, one less point is awarded to the second place team, and so on; the last place team receives 11 points. First place points are determined by the number of teams in a division plus 10 points. For example, if Div II has 20 teams participating, then 1<sup>st</sup> place points are 30, 2<sup>nd</sup> place 29, 3<sup>rd</sup> place 28.... and 20<sup>th</sup> place 11 points. In the case of a tie, a tie breaker will be used whenever possible and will be stated in the event description. If the tie cannot be broken, then the tying teams will each receive the maximum number of points for their rank. For example, 1<sup>st</sup> place receives 30 points, two tying teams receive 29 pts each for 2<sup>nd</sup> (skip 3rd), 4<sup>th</sup> place 27 pts, etc.
