EMPLOYEE'S WITHHOLDING ALLOWANCE CERTIFICATE

The following instructions will assist you in completing the worksheet and K-4 form below. After you have completed the K-4 form, detach it and give it to your employer. For assistance with this form, call KDOR (Kansas Department of Revenue) at 785-368-8222.

Purpose of the K-4 form: A completed withholding allowance certificate will let your employer know how much Kansas income tax should be withheld from your pay on income you earn from Kansas sources. Because your tax situation may change, you may want to refigure your withholding each year.

Exemption from withholding: To qualify for exempt status you must, 1) Verify with KDOR that last year you had the right to a refund of had no tax liability; 2) Verify with KDOR that this year you will receive a full refund of all STATE income tax withheld because you will have no tax liability.

Notes: Your status of "Single" or "Joint" may differ from your status claimed on your Federal Form W-4. Claiming more than the proper amount may result in taxes owed when filing your state income tax.

Basic Instructions: If you are not exempt, complete the Personal Allowances Worksheet below. The allowances claimed on this form should not exceed that claimed under "Exemptions" on your Kansas income tax return. To avoid owing taxes when you file, follow the suggested allowance rate filed with your employer; otherwise, your employer must withhold Kansas income tax from your wages without exemption at the "Single" allowance rate.

Head of household: Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the cost of keeping up a home for yourself and for your dependent(s).

Nonwage income: If you have a large amount of nonwage Kansas source income, such as interest or dividends, consider making estimated tax payment using form K-40ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax when filing your state
